

## Tutshill School Holiday Sports Club - Assessment Review

In 2018, in addition to the after-school sports clubs' provision, we decided to use part of our Sports Premium Grant to provide a Holiday Sports Club for pupils operated by Prostars, our PE providers.

By subsidising the cost of the Holiday Sports Club with the Government Sports Premium funding, we added an emphasis on sporting activities for children to participate in to provide an opportunity for positive and enjoyable participation in physical activity.

Having offered the Holiday Sports Club for five years, it is an appropriate time to undertake an assessment of this provision.

We had a fantastic response to our short survey and having reviewed the parent responses, we would like to share the following changes to the Holiday Sports Club with you:

<ul style="list-style-type: none"><li>• Bookings will open in the first week of term for the following holiday (where applicable) to enable parents to plan and book a place(s) in advance, in a timely manner.</li></ul>
<ul style="list-style-type: none"><li>• The hours of the Holiday Sports Club have been extended to assist with accommodating a full working day. The new hours will be 8.30am until 5.00pm.</li></ul>
<ul style="list-style-type: none"><li>• There has been a price increase from £15 to £20 per child each day to accommodate the additional costs of extending the operating hours.</li></ul>
<ul style="list-style-type: none"><li>• The Holiday Sports Club will run on each day offered and will not be cancelled (subject to unforeseen circumstances such as severe weather, power failures etc).</li></ul>
<ul style="list-style-type: none"><li>• We will no longer be offering the Holiday Sports Club on Fridays due to a low uptake/requirement.</li></ul>
<ul style="list-style-type: none"><li>• Prostars will provide a proposed timetable for each day of the club. However, this may be subject to change on occasion due to pupil numbers attending and activities affected by the weather.</li></ul>

The unique selling point of our Holiday Sports Club is that your child will feel safe as they will be in familiar surroundings with their school friends and be supervised by Sports Coaches who they will see during their weekly schooling.

Bookings must be made in advance through the school, prior to the end of term and the club commencing. There are strict guidelines around ratios of adult/children supervision for safeguarding purposes and staffing requirements are based on the number of children booked in advanced. Parents are politely requested to refrain from contacting Prostars directly to request a place for their child on the day of the club, for this reason.

We are only able to offer the club for up to three weeks during the summer holidays as this is the main period when contractual buildings maintenance and repairs take place, along with whole school deep cleaning and carpet cleaning. This may also affect half term holidays occasionally due to contractor availability to carry out works when the school is closed.

The price for the holiday sports club is reviewed annually and is compared with other local providers. Following our research, we consider the cost of our club to be competitive. We are all aware of increasing costs (utilities and staffing), and the school is continuing to subsidise the Club with Sports Premium funding.
