SENCO

Hi all, I am Su Madurasinghe and I am covering the SENDCo role for Mrs Williams whilst she is on maternity leave. I work at Woolaston School within our Federation and have worked closely with Mrs Williams for the past couple of years. I have been a SENDCo for many years, both in Gloucestershire and elsewhere. I am based at Tutshill once every 2-3 weeks. As ever, parents' first port of call is your child's class teacher. If you wish to contact me please do so via the class teacher or the school office. I have really enjoyed my days at Tutshill to date. The children, staff and families I have met so far, have made me feel very welcome - I look forward to meeting more parents soon!

Multi Sports South FOD Day at Wyedean School & Sixth Form - Thanks and Results information provided by the Forest of Dean School Games Organiser.

Starting this by thanking the student leaders from Wyedean who did a sterling job across the whole day, lots of responsibility with scoring and supporting on their stations so a great effort all round. I also want to thank Emily, my placement student from Worcester Uni for helping us today & to the staff on the Climbing Wall.

A special mention to James Didcote who is very encouraging of School & Forest Games being in Wyedean & sorts out the leaders and the use of the field & finally thanks to those staff from the primary schools who attended today.

We did see some great performances and various schools winning different events, please thank them all & I hope on the whole they enjoyed themselves.

I love having two awards for this event, the Best Teamwork & Highest Points trophy let pupils shine in different ways, we saw that.

The Results

TEAMWORK TROPHY

1st - Tutshill School	53 Points
2nd - Woolaston	51 Points
3rd - Blakeney	50 Points

Well Done to Tutshill School who won the Teamwork Trophy.

These results were given by all the student leaders on each station, to show fairness throughout the day. This reflected behaviours, teamwork, how they spoke to each other and staff & leaders and their general attitude. Please notice that it does not reflect every pupil within the group but as general scores, some pupils perhaps let down other pupils within each group, on the positive side scores over 28 show more positive teamwork.

BEST POINTS AWARDS TEAM

1st: Pillowell (1st in Sprint, Long Jump, 2nd in Vortex throw & 4th in Golf & Cricket)	Points: 43
2nd: Offa's Mead A (1st in Vortex Throw, Cricket, 2nd in Long Jump, 3rd in Sprint, 6th in Golf)	Points: 42
3rd: Tutshill (2nd in Golf & Cricket, 3rd in Long Jump & Vortex Throw, 4th in Sprint)	Points: 41
