

Action Plan

<p><u>Eco-Schools Topic</u> Litter</p>	<p><u>Action</u> 1) Organise a litter picking club three times a week. Order the correct equipment. 2) Organise an out of school litter pick with the community. 3) Register for the Big British Clean Up and encourage our school community to pick up litter outside of school.</p>	<p><u>Duration</u> These activities will take place throughout the year. A litter picking challenge for the school community will be set three times during the year. Take part in the Big British Clean Up in the Spring Term.</p>	<p><u>Monitoring Method</u> Weekly litter checks will take place. A register of the lending of equipment will be kept. Seesaw will be checked to watch Eco-News</p>
<p><u>Aim</u> To reduce litter in our school grounds and in the local community. To raise awareness of the importance of keeping our community clean.</p>	<p>4) Write to the local council to ask about the number of bins and how often they empty the bins. 5) Organise a litter picking equipment lending system to families so that they can litter pick at the weekend. 6) Appoint litter monitors. 7) Create posters to raise awareness of litter and the problems it can cause.</p>	<p><u>Informing & Involving Plans</u> The Eco-Councillors will: -share Eco News weekly. -lead a collective worship with a focus on the Ows, Nows and Wows. -create posters to inform the school community about litter.</p>	<p><u>Final Evaluation</u></p>
<p><u>Eco-Schools Topic</u> Marine</p>	<p><u>Action(s):</u> 1) Create posters to inform others about how plastic pollution affects animals in the ocean. 2) Plan and lead a collective worship about plastic pollution. 3) Present regular Eco-News updates to raise awareness of plastic pollution and how we can help.</p>	<p><u>Duration</u> All events will take place throughout the school year. Eco News will be recorded and posted onto Seesaw weekly. The Global Awareness week will take place in the Spring term.</p>	<p><u>Monitoring Method</u> Children will upload pictures of posters and artwork linked to plastic pollution. Children will be more aware of what plastic pollution is and how they can help. Orders of laminating pouches will be checked to limit laminating use. Cleaning products will be checked to make sure that they are eco-friendly.</p>
<p><u>Aim</u> Raise pupils and family awareness of plastic pollution and the impact it has on the world. Plan events to raise awareness about marine life and conservation.</p>	<p>3) Lead a project to help the homeless and reduce plastic pollution. 4) Encourage families to not use single use plastics. 5) Update bin labels to support recycling. 6) Visit a local water reserve, river or water source to find out more about how we can look after our local area and clean it up. 7) Take part in lessons/workshops about plastic pollution. 8) Reduce glitter use and do not re-order</p>	<p><u>Informing & Involving Plans</u> The Eco-Councillors will: - present Eco-News weekly. -hold a collective worship each term to update the school community. -contact teachers to inform them about using Eco friendly glitter and about trying to reduce their laminating. - promote an awareness of plastic pollution in school. -organise a whole school art project using</p>	<p><u>Final Evaluation</u></p>

	<p>when current supplies have been used up.</p> <p>9) Look at school laminating and how it can be reduced.</p> <p>10) Ensure we are using environmentally friendly cleaning products.</p> <p>11) Organise a Global Awareness week to inform pupils about Global issues around the world.</p> <p>12) Organise a plastic bottle art project.</p>	<p>plastic bottles.</p> <p>-contact the River and Canal Trust about how to clean rivers.</p> <p>-produce posters to raise awareness about our Marine Aims.</p> <p>-update bin labels for each class and the school community.</p>	
<p><u>Eco-Schools Topic</u></p> <p>Transport</p>	<p><u>Action</u></p> <p>1) Organise a walk to school day/week.</p> <p>2) Look into setting up a park and stride or a walking bus to encourage children to walk to school instead of driving.</p> <p>3) Contact the local council to ask about crossing patrols and about our school becoming a 'School Street'. Contact the School Street website to find out more.</p> <p>4) Develop a 'No Idling policy' and inform our school community through poster and information leaflets.</p> <p>5) Carry out a survey to see how children travel to school.</p> <p>6) Raise awareness about different types of transport.</p>	<p><u>Duration</u></p> <p>We will contact the School Street scheme in the Autumn Term.</p> <p>Activities will take place throughout the year.</p>	<p><u>Monitoring Method</u></p> <p>Carry out a traffic survey and discuss results.</p> <p>Carry out a survey about transport and discuss results.</p> <p>Monitor how the school community change as we introduce our changes.</p>
<p><u>Aim</u></p> <p>To make our School Community a safer place.</p> <p>To introduce the School Street scheme to our school community.</p>		<p><u>Informing & Involving Plans</u></p> <p>Eco-Councillors will:</p> <p>-present Eco-News weekly.</p> <p>-hold a collective worship each term to update the school community.</p> <p>-contact the local council and the School Street Scheme.</p> <p>- promote an awareness of how to make school community a safer place to be.</p>	<p><u>Final Evaluation</u></p>
