'Love One Another, Know Ourselves, Believe and Grow'

START OF YEAR NEWSLETTER

Dear Parents and Carers,

Welcome back to the new academic year at Tutshill C of E Primary! It is lovely to see all the children, parents and carers returning to school after the summer break. The children have all settled very well into their new classes and they have been engaging well with their new teachers and new learning. They have clearly missed each other over the holiday! It is also lovely to welcome some new families and children into our school in EYFS and we are really pleased that you have joined our school community.

Forest Edge Federation

Please use the school website to familiarise yourselves with members of the Governing Board. We have held our AGM this week with a very clear set of actions set out for the year ahead. Children will become familiar with the members of the board as they attend school to visit lessons and take the time to talk to children to hear their voice. Governors will also be keen to hear the voice of parents and will be soon be sending out parental questionnaires.

Seesaw Login

Your child will be coming home with their new 'Home Learning' log in for Seesaw and an access code for families. Due to changes in the system, we will no longer be using Seesaw as a direct messaging service between teachers and parents as the inbox folder is no longer allocated to individual classes. If you wish to contact a member of staff, then please do so through the School Office.

European Day of Languages

On Friday, 26th September, we will be holding a European Day of Languages in school. On this day, each class will learn about the culture and languages in a different country. Children are invited to come to school dressed in the colours of the flag of the country they will be studying or in a costume that they feel represents that country (as a famous person, in a national costume, in a football kit from a team in that country, etc.).

Please note that Year 2 and Year 6 will still have PE on this day

The countries are:

Year 6 - Spain
Year 5 - Ukraine
Year 4 - Iceland
Year 3 - Italy
Year 2 - The Netherlands
Year 1 - France
Reception - Wales

If any parents/carers speak another language (it doesn't have to be fluently or linked to one of the countries above!) and would be interested in leading a short language session on the day with a year group(s) of their choice, please let Mrs Hart know via the office.

We would also be keen to hear from any parents/carers who use languages as part of their job and would be interested in talking to the children about the role languages play in their working lives. In addition, if any parents/carers have lived or worked abroad and would be interested in talking to the children about their experiences, we would love to hear from you.

Many thanks for your continued support.

Attendance

Parents are responsible for making sure their children attend school regularly and on time. This means every day the school is open; children are expected to attend. Children must be on school premises by 8:45am ready for registration, the school gate at by the office will be open from 8:35am, please note the top gate at reception will be closed at 8:40am and the bottom gate will be closed at 8:45am. *Please note parents are not allowed to take children to the classrooms in the mornings.*

The Attendance Officer in School Mrs Joubert is monitoring attendance and parents will be contacted should discussions surrounding your child's attendance and punctuality be needed. We will be monitoring attendance in school with rewards, certificates and attendance monitoring on the website.

We actively encourage parents to make health and dental appointments outside of school hours. We do however recognise that medical appointments issued by healthcare professionals occur in school hours and as such, will be authorised. We understand that children will be unwell and we do not encourage poorly children to attend school. Please refer to the school website for guidance if your child is too unwell for school.

Communications

Our principal forms of communication are:

1. Our (eSchools) school website at www.tutshillcofeschool.co.uk;

2. The accompanying iOS and Android eSchools app for smartphones and tablets; and

3. Our school newsletter.

In addition to all the information you have already been able to access on our school website as an external user, the underlying system and complementary app provide our outbound email and communications platform with you once your child has started school.

The iOS and Android app enables you to receive an alert as soon as we send an email and it offers direct access to the contents of the email without troubling you to log in to your email account. A couple of sample screen shots are shown below:

You will be provided with login credentials for your personalised eSchools account which will be required for the app during the Induction Programme.

When using the school website on a desktop, these same login details will also enable you to:

- access information specific to your child's class;
- review your child's attendance record; and in due course
- see details of homework or projects set for completion along with other functions.

We would be grateful if you would create your eSchools account for use with the app and the desktop website as soon as possible upon receipt of your login details so that we can be sure that we can keep you informed.

PTA News

We are delighted to share that Tutshill C of E Primary School has launched an exciting new initiative in partnership with Uniformly, an online platform that makes it simple to buy pre-loved school uniform. Families can now browse our dedicated online shop, place an order, and collect items directly from the school office within 48 hours. Please note that the photos on the site are representative images to give you an idea of what is available, and may not be the exact item you receive. This scheme not only supports our commitment to being an eco-friendly school but also offers families a more affordable and convenient way to access uniform, without the need to travel further afield. As this is a PTA initiative, all money raised goes straight back into supporting your children and enhancing opportunities throughout the school. To get started, simply create a free account and log in to the Uniformly website as a parent, search for Tutshill C of E Primary School, and explore the items we currently have in stock. We are excited to see these pre-loved uniforms find new homes and hope this service will be a valuable resource for our school community. If you have any questions or run into any problems, please don't hesitate to speak to us directly at the PTA.
