'Love One Another, Know Ourselves, Believe and Grow'

START OF YEAR NEWSLETTER (September 2024)

Welcome Back

It is a pleasure to welcome our parents, carers and pupils back to school after the summer holiday and I am looking forward to getting to know the children and their families over the course of this year. We are really pleased to welcome new families to our school community and it is lovely to see how well the children have settled. We have a busy term planned with meet the teacher mornings and after school clubs. The meet the teacher meetings are information sharing sessions with the class teacher but please don't worry if you are unable to attend as a copy of the PowerPoint will be put on our school website on the relevant class page.

The school website holds all the information that you, as parents, need to know. You can find information about what your child is learning, for example, what they are learning this term, how we teach reading, how we teach art across the school, starting in the early years moving through to Year 6. In addition to this information, you can find information about school clubs, school meals, absence forms, holiday club and medical forms- including forms that must be signed and issued to the school office to enable the school to administer prescribed medicines. The school calendar will also inform parents of what is happening and when. Please be sure to check the school website before calling the school office.

Forest Edge Federation

Please use the school website to familiarise yourselves with members of the Governing Board. We have held our AGM this week with a very clear set of actions set out for the year ahead. Children will become familiar with the members of the board as they attend school to visit lessons and take the time to talk to children to hear their voice. Governors will also be keen to hear the voice of parents and will be soon be sending out parental questionnaires.

Seesaw Login

Your child will be coming home with their new 'Home Learning' log in for Seesaw and an access code for families. Due to changes in the system, we will no longer be using Seesaw as a direct messaging service between teachers and parents as the inbox folder is no longer allocated to individual classes. If you wish to contact a member of staff, then please do so through the School Office.

European Day of Languages

On Friday 27th September, we will be holding a European Day of Languages in school. On this day, each class will learn about the culture and languages in a different country. Children are invited to come to school dressed in the colours of the flag of the country they will be studying or in a costume that they feel represents that country (as a famous person, in a national costume, in a football kit from a team in that country, etc.).

Please note that Year 2, Year 3 and Year 5 will still have PE on this day

The countries are:

Year 6 - Spain

Year 5 - Switzerland

Year 4 - Iceland

Year 3 - Italy

Year 2 - The Netherlands

Year 1 - France

Reception - Wales

If any parents/carers speak another language (it doesn't have to be fluently or linked to one of the countries above!) and would be interested in leading a short language session on the day with a year group(s) of their choice, please let Mrs Hart know via the office. We would also be keen to hear from any parents/carers who use languages as part of their job and would be interested in talking to the children about the role languages play in their working lives. Many thanks for your continued support.

Attendance

Please see new updates regarding Attendance and Punctuality on the enclosed link below:
<https://www.gloucestershire.gov.uk/education-and-learning/school-attendance-and-exclusions-and-welfare/attendance-and-absence-from-school/>

Parents are responsible for making sure their children attend school regularly and on time. This means every day the school is open; children are expected to attend. Children must be on school premises by 8:45am ready for registration, the school gate at by the office will be open from 8:35am.

The Attendance Officer in School Mrs Joubert is monitoring attendance and parents will be contacted should discussions surrounding your child's attendance and punctuality be needed. We will be monitoring attendance in school with rewards, certificates and attendance monitoring on the website.

We actively encourage parents to make health and dental appointments outside of school hours. We do however recognise that medical appointments issued by healthcare professionals occur in school hours and as such, will be authorised. We understand that children will be unwell and we do not encourage poorly children to attend school. Please refer to the school website for guidance if your child is too unwell for school.

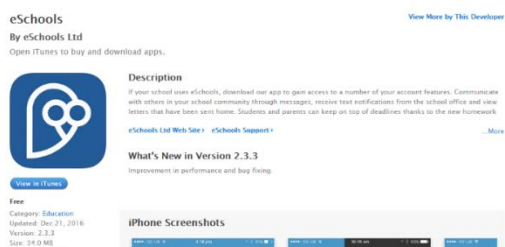

Communications

Our principal forms of communication are:

1. Our (eSchools) school website at www.tutshillcofeschool.co.uk;

2. The accompanying iOS and Android eSchools app for smartphones and tablets; and

3. Our school newsletter.

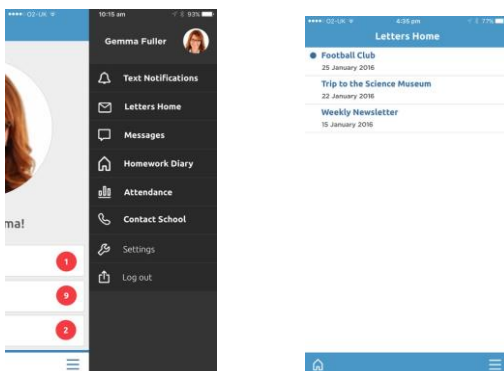

In addition to all the information you have already been able to access on our school website as an external user, the underlying system and complementary app provide our outbound email and communications platform with you once your child has started school.

The iOS and Android app enables you to receive an alert as soon as we send an email and it offers direct access to the contents of the email without troubling you to log in to your email account. A couple of sample screen shots are shown below:

TUTSHILL C OF E PRIMARY SCHOOL

'Love One Another, Know Ourselves, Believe and Grow'

You will be provided with login credentials for your personalised eSchools account which will be required for the app during the Induction Programme.

When using the school website on a desktop, these same login details will also enable you to:

- access information specific to your child’s class;
- review your child’s attendance record; and in due course
- see details of homework or projects set for completion along with other functions.

We would be grateful if you would create your eSchools account for use with the app and the desktop website as soon as possible upon receipt of your login details so that we can be sure that we can keep you informed.

Year	Platform	What it contains	
R	Tapestry	Childs learning diary against EYFS goals. This is a platform that will only share learning- no communication will come from Tapestry re school updates	
All school	eSchools	Email:	Newsletter regarding whole school events and school calendar. 3 x term- end of first week of term, mid-term and last week of term
		Text:	For last minute notifications that need to get to parents quickly- weather warnings, school closure etc.
All School	Seesaw	Class SeeSaw is a learning platform that allows parents to see what is happening in their child’s class. It allows class teachers to send updates and reminders that are solely relevant to that class.	

We have been receiving an increasing number of messages from parents sent to class teacher using this platform, sharing comments and informing class teachers of absence. The above platforms are for teachers to communicate with parents/carer.

All notifications of absence, sickness or medical appointments must go to the School Office. The class teachers will be teaching during the day and are not expected to check SeeSaw so messages like this will unfortunately be missed.

Any comments or questions regarding school activities, please can these be directed to the School Office.

Newsletters will be sent to parents at the start, middle and end of term.

Dear Parent/Guardian,

In 2023 the Forest of Dean Health Forum conducted a survey on your future health care needs and produced a survey report. This was sent to all interested parties, including Aneurin Bevan Health Board (ABHB).

There has been a recent response from the

Board and the Forum has convened a special meeting on September 21st at 10.30 am (Sedbury village hall).

This meeting will give representatives from ABHB an opportunity to present future health care plans for the Sedbury/Chepstow area, to local residents.

You are cordially invited to attend and offer your views on these. Should you wish to attend please contact Forum secretary, Claire Smeeth via
