The unique selling point of our Holiday Sports Club is the sense of safety it provides. Your child will be in familiar surroundings with their school friends and supervised by the same Sports Coaches they may see during the school week.

Bookings must be made in advance through the school before the end of term and the start of the club. Due to strict guidelines on adult-to-child supervision ratios for safeguarding purposes, staffing is based on the number of children booked in advance. Therefore, parents are kindly requested not to contact Prostars directly to request a place for their child on the day of the club.

We can only offer the club for up to three weeks during the summer holidays because this is when major building maintenance, repairs, and deep cleaning take place. Occasionally, this may also affect half-term holidays due to contractor availability for work when the school is closed.

The price for the Holiday Sports Club is reviewed annually and compared with other local providers. Based on our research, we believe our club's cost is competitive. We are mindful of rising costs, such as utilities and staffing, and the school continues to subsidise the club with Sports Premium funding.

Please see the timetable overleaf for the Holiday Sports Club dates for the rest of the academic year.
